All right, this next mission will focus on infiltrating the dogs' ba
Whoa,hold up.
Let me just stop you right there.

Doesn't it seem like all we ever do is infiltrate each other's bases?
Maybe we should focus on something else for a while.

Such as?
Field training!
...Training in the field?
Training to BE a field!

I... don't think that's what "field training" entails, actually.
Oh, really?
Huh.

Well you might want to go tell Clancy that, because he's out there right now getting, like... super into it.
sigh
Goddamn it, Clancy.
